ACTIVITY 1: EXPLORING CALGARY'S BIODIVERSITY

1) What animals and plants do you share your neighbourhood with?

Write, sketch or describe the top 10 most observed species on iNaturalist for your neighbourhood:

On iNaturalist, what are the top 3 most observed...

Plants:

Animals:

2) On a typical day, what are the challenges that these organisms might face in our neighbourhood?

3) Do you think that we might face any similar challenges in our daily life?
