

## Drawing and Writing Observations

Name:

List **5 animals** you observed on your nature walk or iNaturalist exploration:

Pick one of the **animals** you observed, and describe it in **words**:

**Draw** that same **animal** you observed:

Partner up with one of your classmates and **compare** your observations. Did you pick a similar **animal**? How are your **written** descriptions different from your **drawn** descriptions?

Name:

List **5 plants** you observed on your nature walk or iNaturalist exploration:

Pick one of the **plants** you observed, and describe it in **words**:

**Draw** that same **plant** you observed:

Partner up with one of your classmates and **compare** your observations. Did you pick a similar **plant**? How are your **written** descriptions different from your **drawn** descriptions?
